Subject: EIC - Offices that will open on Saturday

Folks: The word has come down that we need to open offices in the top thirteen counties where the Sec State thinks there are potential voters who do not possess ID. In our area this means the 22 offices listed below. These offices will open this Saturday. You can use hourly employees. If the employee has 40 hours already they get time and a half, if not they get straight pay.

As soon as I get additional information I will set up a conference call tomorrow. In the meantime I need you to start working on getting your folks energized.
